

Old Village Stone

6"x9" Old Village Stone - Colour: Winter Sky

Irregular, slightly broken edges and corners create the effect of old European charm.

H-20
HS-20

All our pavers meet the H-20/H-S20 loading requirements. This determination allows for an occasional heavy vehicle such as a fire truck driving on the pavers. Specific site requirements will determine the appropriate paver usage. For example, heavily trafficked areas require more robust pavers installed in specific laying patterns.
