Old Village Stone 5-Piece Combo

DENSE IQ FACE MIX TECHNOLOGY

Project by Jag Bring Construction Ltd.

Old Village Stone 5-Piece Combo - Colour: Travertine / Dorado Wall - Colour: Travertine

The 5-piece combo mold with its collection of sizes appears as an ancient Roman road did hundreds of years ago.

COMBO MOLD PALLET LAYOUT

B Sand joint fill
C Bedding Sand 1”
D Compacted aggregate base with ¾” minus material
E Plastic edge or other type of edge restraint
F Nail
G Subgrade
G Geotextile (optional)

H-20
HS-20

All our pavers meet the H-20/H-S20 loading requirements. This determination allows for an occasional heavy vehicle such as a fire truck driving on the pavers. Specific site requirements will determine the appropriate paver usage. For example, heavily trafficked areas require more robust pavers installed in specific laying patterns.
